#### 2. Reason

As we position redistribution of profits to our shareholders as an important management issue, our basic principle is set to the amount calculated using the payout ratio (consolidated) of 50% or the DOE of 3%, whichever is higher as a guideline.

In consideration of the above, Elematec will pay a year-end dividend of 45 yen per share to shareholders of record on March 31,2024. Accordingly, annual dividend per share will be 85 yen which includes a 2nd Quarter dividend of 40 yen per share. The dividend payout ratio (consolidated) will be 64.8% and the DOE will be 5.2%.
